At Lammack Community Primary School, children are encouraged, to the best of their ability, in a challenging, stimulating and safe environment.

We believe that an all-round education is important for development. Children have access to high quality education in the basic subjects, together with opportunities for creative, sporting and cultural activities. We aim to mix hard work with opportunities for fun and enjoyment!

## **Lammack Community Primary School will:**

- Ensure your child's physical and social well-being at all times, and foster feelings of confidence, self-worth and belonging.
- Encourage your child to follow the golden rules and provide a safe, secure, stimulating learning environment.
- Deliver a balanced and carefully planned curriculum, which meets the needs of your individual child. This will include creative, cultural and outdoor activities.
- Ensure that all homework tasks are given regularly on an agreed day, and that they reflect your child's learning needs.
- Keep you regularly informed about your child's progress
- Actively welcome parents/carers into the life of the school and to ensure that teaching staff are always available, by mutual agreement, to discuss any concerns you may have about your child's progress or general welfare.
- Keep parents informed through class newsletters, facebook, and the school gateway.
- Provide early notice of problems concerning work or behaviour.
- Provide an interesting range of extra-curricular activities
