

## Lammack Results - End of KS2 Results (Year 6) Summer 2018

It was another superb year for results at Lammack in Summer 2018 as for the third year running we were above national average in most areas across the school.

The results of the SATs (tests) are reported using a scaled score, where a score of 100 represents the expected standard, and a scaled score of 110 - 120 means that a child is working at a higher level of attainment. The highest possible score is 120 and the lowest is 80.

Children were awarded one of the following Teacher Assessment judgements in writing:

**Expected Standard:** Working at the expected standard for a child at the end of Year 6.

**Greater Depth:** Working at greater depth within the expected standard, with a strong understanding of the curriculum.
